# Diagrama ER

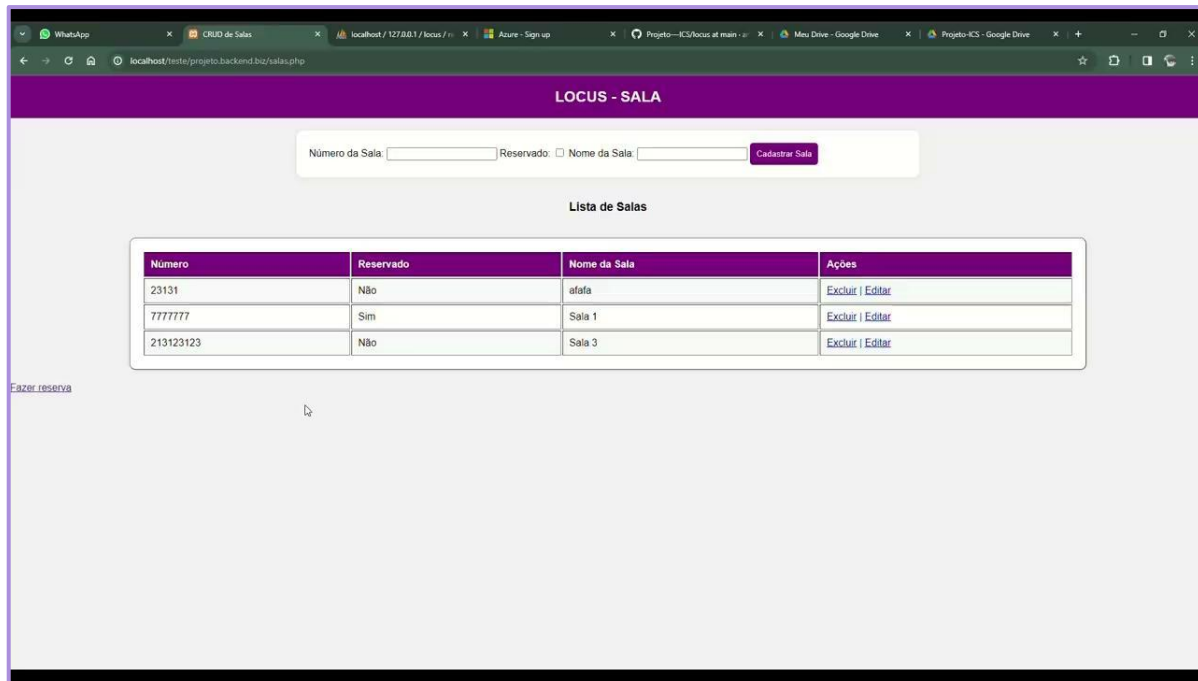

# Diagrama ER

A decorative network diagram with purple nodes and lines. The nodes are represented by concentric circles, with some having a solid purple center and others being hollow. They are connected by thin grey lines. There are three main clusters: a top-right cluster with four nodes, a bottom-left cluster with four nodes, and a single node on the far left. Ellipses (...) are placed near the top-right and bottom-left clusters, suggesting a larger network.

The screenshot displays a web browser window with the URL `localhost/teste/projeto.backend.biz/salas.php`. The page has a purple header with the title "LOCUS - SALA". Below the header, there is a form with the following fields: "Número da Sala:" (with a text input), "Reservado:" (with a checkbox), and "Nome da Sala:" (with a text input). A purple button labeled "Cadastrar Sala" is positioned to the right of the form. Below the form, the text "Lista de Salas" is centered. Underneath, there is a table with four columns: "Número", "Reservado", "Nome da Sala", and "Ações". The table contains three rows of data. At the bottom left of the page, there is a link labeled "Fazer reserva".

Número	Reservado	Nome da Sala	Ações
23131	Não	afafa	<a href="#">Excluir</a>   <a href="#">Editar</a>
77777777	Sim	Sala 1	<a href="#">Excluir</a>   <a href="#">Editar</a>
213123123	Não	Sala 3	<a href="#">Excluir</a>   <a href="#">Editar</a>
